(AR) #5141.4 Child Abuse Prevention and Reporting

Education Code 32282 requires that the school safety plan include child abuse reporting procedures.

Definitions:

Child abuse or neglect includes the following [Penal Code 11165.5, 11165.6]:

1. A physical injury or death inflicted by other than accidental means on a child by another person
2. Sexual abuse of a child, including sexual assault or sexual exploitation, as defined in Penal Code 11165.1
3. Neglect of a child as defined in Penal Code 11165.2
4. Willful harming or injuring of a child or the endangering of the person or health of a child as defined in Penal Code 11165.3
5. Unlawful corporal punishment or injury as defined in Penal Code 11165.4

Child abuse or neglect does not include:

1. A mutual affray between minors [Penal Code 11165.6]
2. An injury caused by reasonable and necessary force used by a peace officer acting within the course and scope of his/her employment [Penal Code 11165.6]
3. An injury resulting from the exercise by a teacher, vice principal, principal, or other certificated employee of the same degree of physical control over a student that a parent/guardian would be privileged to exercise, not exceeding the amount of physical control reasonably necessary to maintain order, protect property, protect the health and safety of students, or maintain proper and appropriate conditions conducive to learning [E.C. 44807]
4. An injury caused by a school employee's use of force that is reasonable and necessary to quell a disturbance threatening physical injury to persons or damage to property, to protect himself/herself, or to obtain weapons or other dangerous objects within the control of the student [E.C. 49001]
5. Physical pain or discomfort caused by athletic competition or other such recreational activity voluntarily engaged in by the student [E.C. 49001]

Mandated reporters include, but are not limited to, teachers; instructional aides; teacher's aides or assistants; classified employees; certificated pupil personnel employees; administrative officers or supervisors of child attendance; administrators and employees of a licensed day care facility; Head Start teachers; district police or security officers; licensed nurses or health care providers; and administrators, presenters, and counselors of a child abuse prevention program [Penal Code 11165.7].

Reasonable suspicion means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on his/her training and experience, to suspect child abuse or neglect. However, reasonable suspicion does not require certainty that child abuse or neglect has occurred nor does it require a specific medical indication of child abuse or neglect [Penal Code 11166].

## Reportable Offenses

A mandated reporter shall make a report using the procedures provided below whenever in his/her professional capacity or within the scope of his/her employment, he/she has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect [Penal Code 11166].

Any mandated reporter who has knowledge of or who reasonably suspects that a child is suffering serious emotional damage or is at substantial risk of suffering serious emotional damage, based upon evidence of severe anxiety, depression, or untoward aggressive behavior toward self or others, may make a report to the appropriate agency [Penal Code 11166.05, 11167].

Any employee who reasonably believes that he/she has observed the commission of a murder, rape, lewd or lascivious act by use of force, violence, duress, menace, or fear of immediate and unlawful bodily injury against a victim who is a child under 14 shall notify a police officer [Penal Code 152.3, 288].

## Responsibility for Reporting

The reporting duties of a mandated reporter are individual and cannot be delegated to another person [Penal Code 11166].

When two or more mandated reporters jointly have knowledge of a known or suspected instance of child abuse or neglect, the report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make a report [Penal Code 11166].

No supervisor or administrator shall impede or inhibit a mandated reporter from making a report [Penal Code 11166].

Any person not identified as a mandated reporter who has knowledge of or observes a child whom he/she knows or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child abuse or neglect to the appropriate agency [Penal Code 11166].

## Reporting Procedures

### 1. Initial Telephone Report

Immediately or as soon as practicable after knowing or observing suspected child abuse or neglect, a mandated reporter shall make an initial report by telephone to any police department (excluding a school district police/security department), sheriff's department, county probation department or county welfare department [Penal Code 11165.9, 11166].

When the initial telephone report is made, the mandated reporter shall note the name of the official contacted, the date and time contacted, and any instructions or advice received.

### 2. Written Report

Within 36 hours of knowing or observing the information concerning the incident, the mandated reporter shall then prepare and either send, fax, or electronically submit to the appropriate agency a written follow-up report, which includes a completed Department of Justice form [Penal Code 11166, 11168].

The Department of Justice form may be obtained from the school site or COE Division office, or other appropriate agencies such as the county probation or welfare department, or the police or sheriff's department.

Reports of suspected child abuse or neglect shall include, if known [Penal Code 11167]:

- a. The name, business address and telephone number of the person making the report and the capacity that makes the person a mandated reporter.
- b. The child's name and address, present location and, where applicable, school, grade and class.
- c. The names, addresses, and telephone numbers of the child's parents/guardians.
- d. The name, address, telephone number, and other relevant personal information about the person who might have abused or neglected the child.
- e. The information that gave rise to the reasonable suspicion of child abuse or neglect and the source of that information.

The mandated reporter shall make a report even if some of this information is not known or is uncertain to him/her.

The mandated reporter may give to an investigator from an agency investigating the case, including a licensing agency, any information relevant to an incident of child abuse or neglect or to a report made for serious emotional damage pursuant to Penal Code 11166.05 [Penal Code 11167].

### 3. Internal Reporting

The mandated reporter shall not be required to disclose his/her identity to his/her supervisor, the principal, or the County Superintendent or designee [Penal Code 11166].

However, employees reporting child abuse or neglect to an appropriate agency are encouraged, but not required, to notify the principal as soon as possible after the initial telephone report to the appropriate agency. When so notified, the principal shall inform the Superintendent or designee.

Reporting the information to an employer, supervisor, principal, school counselor, co-worker or other person shall not be a substitute for making a mandated report to the appropriate agency [Penal Code 11166].

### 4. Training

Training of mandated reporters shall include identification and mandated reporting of child abuse and neglect [Penal Code 11165.7]. Training shall also include guidance in the appropriate discipline of students, physical contact with students, and maintenance of ethical relationships with students to avoid actions that may be misinterpreted as child abuse.

### Victim Interviews by Social Services

Whenever a representative from the Department of Social Services or another government agency investigating suspected child abuse or neglect deems it necessary, a suspected victim may be interviewed during school hours, on school premises, concerning a report of suspected child abuse or neglect that occurred within the child's home or out-of-home care facility. The child shall be given the choice of being interviewed in private or in the presence of any adult school employee or volunteer aide selected by the child [Penal Code 11174.3].

A staff member selected by a child may decline to be present at the interview. If the selected person accepts, the principal or designee shall inform him/her of the following requirements [Penal Code 11174.3]:

1. The purpose of the person's presence at the interview is to lend support to the child and enable him/her to be as comfortable as possible.
2. The person shall not participate in the interview.
3. The person shall not discuss the facts or circumstances of the case with the child.
4. The person is subject to the confidentiality requirements of the Child Abuse and Neglect Reporting Act, a violation of which is punishable as specified in Penal Code 11167.5.

If a staff member agrees to be present, the interview shall be held at a time during school hours when it does not involve an expense to the school [Penal Code 11174.3].

#### Release of Child to Peace Officer

When a child is released to a peace officer and taken into custody as a victim of suspected child abuse or neglect, the County Superintendent or designee shall not notify the parent/guardian, but rather shall provide the peace officer with the address and telephone number of the child's parent/guardian. It is the responsibility of the peace officer or agent to notify the parent/guardian of the situation [E.C. 48906].

#### Parent/Guardian Complaints

Upon request, the County Superintendent or designee shall provide parents/guardians with a copy of this administrative regulation which contains procedures for reporting suspected child abuse occurring at a school site to appropriate agencies.

For parents/guardians whose primary language is not English, such procedures shall be in their primary language and, when communicating orally regarding those procedures, an interpreter shall be provided.

To file a complaint against a district employee or other person suspected of child abuse or neglect at a school site, parents/guardians may file a report by telephone, in person, or in writing with any appropriate agency. If a parent/guardian makes a complaint about an employee to any other employee, the employee receiving the information shall notify the parent/guardian of procedures for filing a complaint with the appropriate agency. The employee is also obligated pursuant to Penal Code 11166 to file a report himself/herself using the procedures described for mandated reporters.

If the child is enrolled in special education, a separate complaint may be filed with the California Department of Education pursuant to 5 CCR 4650.

#### Notifications

The County Superintendent or designee shall provide to all new employees who are mandated reporters a statement that informs them of their status as mandated reporters, their reporting obligations under Penal Code 11166, and their confidentiality rights under Penal Code 11167. The COE shall also provide these new employees with a copy of Penal Code 11165.7, 11166, and 11167 [Penal Code 11165.7, 11166.5].

Before beginning employment, any person who will be a mandated reporter by virtue of his/her position shall sign a statement indicating that he/she has knowledge of the reporting obligations under Penal Code 11166 and will comply with those provisions. The signed statement shall be retained by the Superintendent or designee [Penal Code 11166.5].

Employees who work with dependent adults shall be notified of legal responsibilities and reporting procedures pursuant to Welfare and Institutions Code 15630-15637.

The County Superintendent or designee shall also notify all employees that:

1. A mandated reporter who reports a known or suspected instance of child abuse or neglect shall not be held civilly or criminally liable for making a report and this immunity shall apply even if the mandated reporter acquired the knowledge or reasonable suspicion of child abuse or neglect outside of his/her professional capacity or outside the scope of his/her employment. Any other person making a report shall not incur civil or criminal liability unless it can be proven that he/she knowingly made a false report or made a report with reckless disregard of the truth or falsity of the report [Penal Code 11172].
2. If a mandated reporter fails to report an incident of known or reasonably suspected child abuse or neglect, he/she may be guilty of a crime punishable by a fine and/or imprisonment [Penal Code 11166].
3. No employee shall be subject to any sanction by the district for making a report [Penal Code 11166].
